Tapas Selection Menus

Tapas Selection menus are based on 4 people sharing (minimum 4 people) and prices are per person

How the Selection Menus work

For 4 people you get one of every dish on the selection menu, for 8 people you get two of every dish etc.

For numbers that aren't exact multiples of four you will receive extra of some of the dishes so as to be equal to the price per head quoted. Depending on availability we may have to substitute tapas on the selection menu for a tapa of the same price.

The breads and cold starters are served first, with the hot tapas to follow.

(V) indicates dishes suitable for vegetarians.

If there are vegetarians in your group, we can substitute some of the dishes for vegetarian alternatives.
