Booking Conditions for Christmas Parties

Please make sure you have read these booking conditions and that they are made known to the rest of the party.

Deposits

We will require a £10 deposit per person to confirm your booking along with receipt of your completed booking form. We require deposits for both the Christmas and the regular Tapas Selection menus. Deposits can be paid either in cash, by cheque or by credit/debit card.

Any extra persons wishing to book at a later date can do so upon paying the £10 deposit required, providing we are able to fit extra persons in.

Provisional bookings will only be held for 3 weeks. If after this time we have not received your deposit in full, we reserve the right to take another booking in its place.

We appreciate that circumstances can change so we are happy to refund deposits if we are informed of any changes to your booking **at least three days in advance** of the booking date. After this time deposits will **only** be refunded in the form of gift vouchers, which can be used in our restaurant in January and February 2019.

Booking Times

Due to the high demand for tables on the Thursdays, Fridays & Saturdays throughout December, we will operate strict sitting times. You will have your table for **two hours** (or for the rest of the evening if you book **from 8.30pm** onwards). For bookings from Sunday to Wednesday we can be more flexible, depending on what other reservations we have.

The time you make your booking for is the time we expect all diners to be seated at the table ready to eat.

We will keep your table for 15 minutes after the booking time. If no diners have arrived by this time or there are still a few to come we reserve the right to occupy your table or part of it for other diners. It is therefore essential that everybody arrive on time.

You may enjoy a drink in our large bar area before your meal but please make sure you allow enough time so that all diners are seated at the stated booking time.
